

If Faxing Prescriptions:

1. Use the form provided by the representative or you may use your own prescription to fax to the pharmacy
2. Add all the patient insurance information
3. Fax to **818.309.1709** or **855.948.0308**

If Calling in the Prescription:

1. You may call **855.948.0335** to get in touch with the pharmacist on duty directly
2. Please leave a message with the prescription information if no answer

If E-Scripting Prescriptions:

1. Add **Delta Drugs Pharmacy** to your EMR system using the following information:
 - a. **Delta Drugs Pharmacy 437**
Fernando Ct Glendale, CA
91204 *OR*
 - b. **NPI: 1790036671**
5. Please write in the Notes section:
Ok to do PA
6. Add patient social security number on the e-script so we can find the patient's insurance

If you have any Questions or Issues/Problems:

1. You may call **855.948.0335** to get in touch with the **Chief Pharmacy Officer** directly
2. Please leave a detailed message if no answer

If you need to have your patient call the pharmacy:

1. They may call the Pharmacy Specialty Number **855.948.0335**
2. The representative will also provide you with patient tear off sheets so they have a copy of the pharmacy's information when they leave the office.
